

## SDTA - Covid-19 Update March 19/2020

The College of Dental Surgeons of Saskatchewan (CDSS) met with the SK Health Chief Medical Health Officer (CMHO) again today. The CMHO confirmed the strong recommendation of the CDSS, SDHA, SDAA, SDTA and DSS that Saskatchewan dental and denturist offices provide only emergency dental services. The CMHO believes that this is consistent with other jurisdictions in Canada. CDSS will remain in regular communication with the CMHO and update the membership accordingly.
