The College of Dental Surgeons of Saskatchewan (CDSS) has released:

[CDSS Alert – COVID-19 Pandemic: IPC Interim Protocol Update - Phase 2 Update – Effective June 1, 2020](#)

It is undetermined how long this current protocol will remain in effect. With the COVID-19 virus still in our communities returning to work will still not be “business as usual”. Dental practices that cannot follow the CDSS protocol must remain closed. This includes those with a shortage of Personal Protection Equipment (PPE) and/or lack facility requirements.

We encourage members to check the [SDTA website](#) and [CDSS website](#) Covid-19 pages frequently and familiarize yourself with new information as it emerges.
