The College of Dental Surgeons of Saskatchewan (CDSS) has released Phase 3 – Effective June 15<sup>th</sup>, 2020.

## [CDSS Alert – COVID-19 Pandemic: IPC Interim Protocol Update - Phase 3 Update – Effective June 15, 2020](#)

The CDSS also notes:

**Several epidemiologists warn of a second wave or outbreak and as a result the CDSS advise members to maintain the capacity to return to previous Phases if directed to by the CDSS or the CMHO.**

As stated previously, the COVID-19 virus still in our communities returning to work will still not be “business as usual”. Dental practices that cannot follow the CDSS protocol must remain closed. This includes those with a shortage of Personal Protection Equipment (PPE) and/or lack facility requirements.

We encourage members to check the [SDTA website](#) and [CDSS website](#) Covid-19 pages frequently and familiarize yourself with new information as it emerges.
