Yesterday the College of Dental Surgeons of Saskatchewan (CDSS) released Phase 4 Update.

[CDSS IPC Interim Protocol Update - Phase 4 – Effective July 13, 2020](#)

Several epidemiologists warn of a second wave or outbreak and the CDSS advise members to maintain the capacity to easily return to previous Phases if directed by the CDSS or the CMHO. This includes maintaining a supply of PPE and maintaining facility requirements if a return to a previous phase is required.

We encourage members to check the [SDTA website](#) and [CDSS website](#) Covid-19 pages frequently and familiarize yourself with new information as it emerges.
