

CAREER OPPORTUNITY

DENTAL THERAPIST - FOND DU LAC SK

APPLICATIONS ARE INVITED FOR A PART TIME POSITION FOR DENTAL THERAPIST FOR FOND DU LAC SK.

SUMMARY:

Under the supervision of the Dental Manager, the Dental Therapist combines the knowledge and skills to provide and promote quality oral health care and service.

DUTIES & RESPONSIBILITIES

Dental therapists work as part of a team providing clinical and educational support to children and adults in the community. Our dental therapists carry out straightforward clinical work, under the direction and written prescription of a dentist. General duties could include:

- Removing plaque and other coatings, such as calculus
- Applying antibacterial and de-sensitizing agents
- Applying fissure sealants and fluorides
- Replacing temporary fillings and crowns
- Administering certain types of local anesthetic, unsupervised.
- Polishing teeth
- Tooth whitening
- Taking radiographs
- Carrying out simple fillings extracting deciduous (milk) teeth

QUALIFICATIONS:

- Two-year post-secondary diploma in dental therapy with satisfactory completion of academic, preclinical and clinical components
- Post graduate orthodontic modules
- Current registration with Saskatchewan Dental Therapists Association and Canadian Dental Therapist Association
- Clear Criminal Record Check and Vulnerable Sector Search.
- Valid Class 5 driver's license.

EXPERIENCES:

- Cultural awareness and sensitivity to the Denesuline culture.
- Clinical experience preferred

Individuals interested in applying for this position should forward their resume and 3 professional references including at least one from your current/previous employer to:
