This job is based in the thriving and diverse city of [Whitehorse](#) in the beautiful [Yukon](#).

Who we are

The Yukon Children's Dental Program, comprised of Dental Therapists and Dental Hygienists provides comprehensive diagnostic, preventative and restorative dental services to preschool and school aged children in Whitehorse and throughout rural Yukon.

Your Impact

Are you passionate about providing comprehensive oral health care services and education to diverse communities? The Yukon Government is seeking a dedicated and skilled Dental Therapist to join our team in delivering high-quality dental care to preschoolers and school-age children across Yukon.

Providing oral health education and promoting preventive dental practices to patients and their families, our Dental Therapist collaborates with other dental and healthcare professionals to ensure integrated and holistic patient care. They conduct thorough dental assessments and maintain accurate patient records while maintaining confidentiality.
